# 2021-01-22 Retrospective

| Date | 22 Jan 2021 |
|---|---|
| Team | Team 3 |
| Participants | @ Malik Ali   @ Jacob Winkworth   @ Jason Fyfe |

## Background

Discussing the first sprint of the Choonz project, after the first demonstration to the client.

## Retrospective

| Start doing | Stop doing | Keep doing |
|---|---|---|
| <ul><li>Trying to communicate when working alone.</li><li>Updating more about merges to dev and asking for help more.</li><li>Streamline where we store our docs.</li></ul> | <ul><li>Talking lot's in the mornings.</li><li>N/A</li><li>Working after 17:30pm</li></ul> | <ul><li>Keeping up to date with Jira and Docs.</li><li>Current pace!</li><li>Good communication around Git.</li></ul> |

## Action items

- ☐ Set up a location to centralise our docs
